Profile

Vellore Institute of Technology student,who has never failed to meet a project deadline .Aiming to leverage my writing , web development , coding skills to land an internship for technical team. Effective team player offering extraordinary analtical skills and the important abilty to think critically

Awards

1) Model of United nations

Got recognition for being a speaker in All india political party meet (AIPPM)

2) Member of Core committee for Organizing college fest

Helped in organizing **Advaitya 2021**, the biggest fest across all the colleges of central India

Projects

1) Password Checker

Leaded a team of 4 members where we coded a software which was linked with the API of "Have i been pawned" where you can check if your passoword was leaked in the data breaches occured in past. Software was purely coded in python language . Got an S grade in project exhibition

2) M&G (A single place for games and music)

Worked in a team of 5 members in which my work was to make the front-end of the website.The website consisted of 3 games and was connected with spotify so that users don't have to access any music player on their own. Got an A grade in project exhibition
